Passionate About Every Little Thing
Pre-Glued Lashes

Self-adhesive strip

Features:

1. Reusable self-adhesive
2. Apply in sec
3. No glue requires, no mess
4. Up to 15-hour wear
5. Trimmable lashes to any length.

Lash Application Tips:

1. Peel the lash off the tray gently from one side or with an applicator.
2. Using the applicator, simply apply the pre-glued lashes over the lash line.
3. Adjust the angle and hold in place until secure.
4. To remove, gently peel lash off from one side slowly and keep clean to reuse.
5. You may replace the lashes back to the tray.
6. Once adhesive strip is no longer sticky, apply spare strip to lash and repeat steps above.
